Dear Parents

Greetings of the hour!

As you are aware that abiding by the Directives of Statutory Authorities and Judicial pillars of our Society, our School has uploaded Fee circular Part VI mentioning the amended and payable fee structure.

However, we request the revered parents of our school to extend solidarity to us in dealing with the current crisis and pay the full amount in case there is no financial distress experienced.

I once again appeal to AIS families to help afloat 200 yet another families who have been tirelessly and dedicatedly shaping up the children for years now and have risen to the occasion by upskilling and upscaling themselves.

While we are assured of adequate support being rendered by our parents, we also leave the matter to their discretion.

Thanks and regards.
