

ASIAN INTERNATIONAL SCHOOL
Education For Life

CBSE Affiliated NURSERY-XII (Reg No 2430166)

ACHIEVE ! INSPIRE ! SUCCEED !

See Glory, Be Glorious....

ABOUT ASIAN INTERNATIONAL SCHOOL

Asian International School (AIS), Howrah since its inception in 2012 has opened a new chapter in school education in the district of Howrah. It was established with a single minded perseverance of providing holistic education to its pupils.

In a very short period of time, our talented, diverse communities of students and teachers have enabled us to build a close-knit supportive team of enthusiastic learners of all ages. Ample scope for development of student is ensured by the positive physical environment of the school. The campus of 10 acres, with more than 1,20,000 sq. ft of scholastic and co-scholastic facilities, spacious and well ventilated classrooms along with its lush green environs, facilitate both the physical as well as social milieu of the School. Constant enhancement of teaching skills & training of teachers ensures that our teachers are competent in handling different needs of learners. The School aims at reaching out to the last corner of the classroom. Thus, the student teacher ratio is maintained at 30:1. Thus, the teacher can nurture each student's emotional, behavioural and academic needs.

With the provision for KG schooling, AIS Howrah offers the 10+ 2 years of schooling in affiliation with the Central Board of Secondary Education (CBSE), which is the largest School Education Board in the country for primary, secondary and higher secondary education.

1.

VISION

To create a 'Centre of Knowledge and Excellence' which will propagate the culture of India and its holistic values in surroundings driven by modern technology and a focused pursuit of the intellect. The focus is on nurturing well-rounded personalities with the skills to excel in the world they will inherit in time.

MISSION

2.

'EDUCATION FOR LIFE'

'Education for Life' is a philosophy of holistic education that emphasizes experiential learning, spiritual development and practical skills for living such as concentration, self discipline and compassion. Education for Life emphasizes learning that will last a lifetime because we at AIS believe that education is the only aspect in life which cannot be taken away from an individual.

Chairman's Vision

The true essence of education is to move to light from darkness. Holistic education not only builds character but it is the primary seed for nation building. Education liberates thoughts, it opens new pastures, it inculcates co-existence and it imparts humility.

I stress on positive education and encouragement as negativity and criticism weaken the spirit. I truly believe that education is the manifestation of perfection existent in a human being.

Principal's Vision

"The journey of thousand miles begins from a single step "- Lao Tzu

Asian International School is a "vision" more than an Institution. The School was established almost a decade back and since then it has been contributing to the growth of the nation by serving the district of Howrah in an unparallel way. Offering the best of School experiences to the children in the District, the School is humbled to be wearing the crown of "Best".

The approach of spiral learning connects the acquired knowledge and content between foundational and preparatory stages, middle school and Secondary/Senior Secondary stages. The transition from one stage to another is designed scientifically keeping the various kinds of intelligences in view. Taking the curriculum a step ahead, School ensures to provide Industry Academia Interface, skill based

subjects, a platform to ideate and innovate and also holds hands of the learners to make the right choice in terms of career.

The infrastructure of the School is yet another mesmerizing domain which enhances the school experience. The classrooms, playground, Computer Labs, Science Labs, Enrichment zones, Cafeteria and every possible corner of the School promotes the blooming of the little buds enrolled with us.

With these efforts, our School has earned the trust of many National Agencies affirming its role as an educational powerhouse. This distinguished recognition not only embellishes the school's laurels but also serves as a testament to its unwavering dedication to upholding scholastic brilliance and creating an ambiance where students can illuminate the pathways of their academic aspirations with unwavering confidence.

As we reflect upon our journey, we recognize that the path ahead is just as exciting. Our commitment remains resolute, our vision unwavering, as we continue to inspire young minds, kindle their curiosity, and empower them to conquer the world with knowledge and compassion. Asian International School's story is one of perseverance, innovation, and nurturing. With each step taken, it paves the way for a brighter future, for itself and the generations it shapes.

Mrs. Vijay Lakshmi Kumar
Principal

Headmistress' Vision

"Education is not the filling of a pail, but the lighting of fire" -PLUTARCH

Warm greetings from Asian International School! Every child is a fountainhead of potential, which we at AIS recognize and respect. It is our responsibility to nurture the creative spirit inherent in every child. Their ability to exhibit work of a superlative nature is what never ceases to amaze us. An AISIAN is a multifaceted individual dedicated to the pursuit of excellence in their chosen field.

We wish to produce leaders who will take on responsibility and have the courage to be the instruments of change.

To ensure that we send into the world a well-rounded personality, compassionate and sensitive, imbued with strong sense of self-worth and confidence as we begin early at the foundational stage, for them to traverse through a long and an intriguing journey called life.

Mrs. Simran Sanghera
Headmistress

Modules of Life to Acquire Glory

CURRICULUM

The school has the distinction of providing integrated scheme of education in keeping with the New Policy of Education. Asian International School is following the curriculum prescribed by CBSE and is based on the guidelines established by the National Council of Educational Research and Training (NCERT), New Delhi. CBSE Guidelines are followed by the school both in letter and spirit. All through the year teachers participate in training programs organized by CBSE and other recognized bodies to enhance their skills and enable students to achieve upgraded knowledge.

Tiny Steps Towards Glory

FOUNDATIONAL STAGE (5 YEARS) (Nursery to class II)

At this stage the school envisages a flexible, multilevel, play /activity based learning. The integrated curriculum frame work followed at the school enables holistic development of the child that encapsulates physical, socio- emotional –ethical, cognitive, cultural and aesthetic aspects while ensuring language development.

The innovative and colorful techniques form an intriguing ecosystem for the young minds and empower them to think creatively while honing concepts. The minds at this stage are insulated from the formal examination system so that learning is only a fun filled experience for the children of this section.

Seeds of Glory

PREPARATORY STAGE (3 years) (Class III to V)

The curriculum for this stage is planned keeping the tenderness of the foundational stage that children hail from. This gradual transition from play based learning to more formal but interactive classroom learning lays a solid groundwork across subjects, including reading, writing, speaking, art languages, science, mathematics and life skills. The focus is on experiential learning and rationalizing values that they observe around them.

Experience of preparing and appearing for formal examination is yet another task for the students of this level which is handled with utmost care by the trained teachers of the school. We believe in empowering our young learners to explore their interests, develop their strengths and embrace challenges with confidence in its truest sense.

Cultivating the Seeds of Glory

MIDDLE SCHOOL (3 years) (Class VI to VIII)

Curriculum promotes 21st Century skills amongst learners, thereby enhancing creativity, analytical skills, rational thinking and various cognitive domains. To enhance skills academic clubs are aligned with CBSE Skill modules. This renders them with a Certificate from Ministry of Education at the culmination.

Turning Aspiration Into Glory

SECONDARY SECTION (4 years) (Class IX-XII)

The Curriculum of Secondary/Senior Secondary classes is completely aligned with National Education Policy (NEP) 2020, guidelines from National Council of Educational Research and Training (NCERT) and updates from Central Board of Secondary Education (CBSE). Emphasis has been to prepare the learners to explore and conquer the world beyond School. Hence, the right blend of Academic richness, Co-curricular activities, skill based subjects, Industry Exposure, Career Guidance and most importantly a platform to innovate is rendered.

Brewing Happiness to Find Glory

At Asian International School education is not confined to class room instructions. We believe that school is much more than academic lessons and qualifications. Many of the most important lessons are those which the students learn as part of team games, innovative ideas, competitions and collaborative work.

To pave the way for such multifarious learning we organize a variety of competitions and cultural events which also support formal learning. A sense of belonging and loyalty are promoted in the students by dividing them into four houses. Inter Class / House competitions such as debate, recitation, fancy dress, crafts etc. provide learning experiences which enrich the educational and social development of the students.

Morning assemblies are arranged section wise on a rotational basis which is a forum for the students to address a large audience and express themselves. Every student is encouraged to participate indiscriminately with the intention of nurturing and developing innertalents. School takes a special effort in preparing students to participate and leave a mark across prominent Inter School fests organized by leading Schools in Howrah and Kolkata.

**Sports & Games : CRICKET • FOOTBALL • ATHLETICS • BASKETBALL
• VOLLEYBALL • SWIMMING • CHESS • CARROM • TABLE TENNIS
• KARATE**

Home Support to Gain Glory

AIS Howrah encourages a healthy communication between parents and teachers in the interest of the child. This is further encouraged through meeting sessions between parents, teachers and the Principal where they can express their understanding and intimate insights into the needs of the child. The AIS family is open to sharing of concerns and suggestions of parents- both for academic and nonacademic enhancement.

Parents Orientation and Workshop

At various points in time, workshops are organised for parents which is a much required effort with the growing fractions in the society. Parents are oriented about the latest need of children that helps to cope with the changing approach of parenting.

Emotional Well Being

There is a Wellness department comprising of Counsellors and Special Educator appointed by the School for maintaining and up keeping the emotional health of students. Identified students are referred to such experts for short term or long term guidance. Parents are also involved with the process as and when required.
